WILL YOU BE AT THE TABLE?

WE MEAN BUSINESS

Learn the essentials needed to run a successful business whether new, small, large or well-established. We'll discuss: forms of entities, bookkeeping and accounting, internal/external auditing, marketing, free resources and more.

At the table: Accountant, Auditor, Attorney, Marketer, Internal Revenue Service, WI Department of Revenue Service

MOTHERS & DAUGHTERS on the move

One new trend among successful businesses... mother and daughter entrepreneurial teams reaping personal and financial rewards. We'll discuss: why this business team is most likely to succeed, managing the specific dynamics between the two, handling finances and much more.

At the table: Mother & Daughter Accountants and 3 additional Entrepreneur Teams

QUICKBOOKS

The #1 choice for small businesses, but is it right for you? We'll discuss: the set-up process and how to keep it from becoming too complex, how to work cohesively with your accountant while using this software, which version fits your business needs, and so much more.

At the table: Accountants and QuickBooks Expert Trainers

NEW BUSINESS?

If you've considered starting or have recently started a business, you will want to register right away for this seminar. We'll discuss: the importance of thorough planning, the signs of a right versus wrong venture, paying taxes and payroll, and much more.

At the table: Entrepreneurs and Experienced Business Owners

DAYCARE/CHILDCARE CENTERS

We'll speak candidly about the pressures, struggles and joy of running a daycare. Administrators will have an opportunity to release some stress while getting a wealth of knowledge related to invoicing, accounts payable, expenses, increasing productivity and many more topics.

At the table: Accountants, State and Daycare Administrators

CHURCH ADMINISTRATION

Often the church accountant has business accounting experience, but no training in church-specific accounting. Trust us, there is a difference and this seminar cuts to the chase about bookkeeping, reports for the congregation, creating manuals for others, salary withholdings and more.

At the table: Accountants, Church Administrators, Internal Auditor

CHOICE SCHOOLS

What does it take to start, grow and maintain a choice school? We'll address this question and more as we cover topics like establishing a budget, setting up an accounting system, preparing for an audit and meeting compliance standards.

At the table: Accountants, State School Administrators

WHAT ABOUT NON-PROFITS?

Non-profits can be rewarding on a personal and business level. Make sure you have the necessary facts to run a compliant, non-profit organization. We'll discuss: key steps in forming a non-profit, constructing a board, raising money, filing taxes and more.

At the table: Non-Profit Administrators and Accountants, Internal Auditor, Non-Profit Board Members and Managers

Repairing, Maintaining, Excelling in PERSONAL FINANCES

You'll leave with a thorough "To-Do" list after hearing directives and proven techniques that lead to improved personal finances. We'll help you identify your strengths and eliminate your weaknesses, prepare a 3 year plan and improve your credit score by changing bad habits.

At the table: Accountants, Financial and Investment Professionals
